Dear Mr. Pusey,

I am writing to you to ask for your assistance in resolving a serious safety situation that is developing at The intersection of Bridge Road and Route 1.

Many pedestrians in our community cross Rt.1 at this intersection to access the beach. Our concern is that a serious accident will occur involving a pedestrian with the heavy volume of traffic on Rt.1 during the summer months.

We are requesting that a traffic light or flashing warning light and pedestrian crossing warning signs be placed at the intersection of Bridge Road and Rt.1.

Please inform me how this request could be satisfied. I'll be glad to meet you at this intersection to review this request .

Thank you for your attention and support.

Sincerely,

Joseph R. Woolman, Jr.  
President
